COMPOSTABLE DRINKWARE

12 OZ TOSWARE™ COMPOSTABLE TUMBLERS

Made from NatureWorks™ PLA

- ✓ Crystal Clear Appearance
- ✓ Commercially Compostable
- ✓ Sustainable Alternative to Plastic
- ✓ Lightweight & Durable

Celebrating Sustainability

NatureWorks™ PLA is a plant-based bioplastic crafted from renewable, natural sources like corn starch or sugar cane. Products made from this material are commercially compostable, making PLA the ideal solution for lightweight and sustainable drinkware.
