ABOUT DRAGONFLY

It's All In The Name.

Founded by Carrie Edings-Foster, Dragonfly Cocktails & Spirits was inspired by her mother and a desire to create something better than what she often saw in the hospitality industry.

The dragonfly serves as a reminder to embrace life's moments, even in the moments when we forget that we all have wings—celebrated in transformation and new beginnings.

After more than a decade in bartending and event planning, Carrie recognized that the bar should be more than a place to serve drinks—it should be an experience thoughtfully designed around each client, celebration, and story.

That's our belief that
THE BAR IS
